Public Comments

I understand that you wish public comments on changing KCI airport.

MY COMMENT IS - **LEAVE KCI ALONE !!**

It is a great airport that meets the needs of the community. Take the money that you want to spend on this and apply it towards more needed areas.

THIS AIRPORT IS GREAT ! DO NOT CHANGE IT TO be similar to other MESSED UP Airports that have the main terminal concept.

Respectfully CA Wilke

We would really like to see the airport stay! How can we help?
